Effective Date: July 1, 2001.

Explanation of State Expenditures: This bill appropriates \$5,000 from the Violent Crime Victims Compensation Fund for FY 2002 to Jon Steinberger for special relief.

The Violent Crime Victims Compensation Fund is administered by the Victims Services Division of the Criminal Justice Institute. The Fund was established as a dedicate fund to provide compensation to victims or in behalf of victims who were injured or killed as a result of a violent crime. Funds are deposited from restitution orders issued by the court (IC-35-50-5-3), transfer of funds by the state auditor, and appropriations from the General Assembly. Money in the Violent Crime Victims Compensation Fund does not revert to the state General Fund at the end of the fiscal year.

The current balance in the Fund is \$470,529. Of this amount \$306,235 represent federal funds and \$164,294 represent state funds. It is not anticipated that any of the state funds will be carried into the 2001-2003 biennium. New federal funds are anticipated but a specific amount can not be determined at this time.
